Friends of Families Need Fathers

**FAMILIES NEED
FATHERS**

Families Need Fathers is a registered charity that works to ensure that children continue to receive the love and care of both their parents and their families even after separation or divorce.

What is a Friend of Families Need Fathers?

Someone who supports the ideals and aspirations of FNF, and is aware of the suffering and pain caused to children because they know someone (family, grandparent, friend or colleague) who has experienced this first hand.

Why does FNF want Friends?

So that we may demonstrate to politicians, the judiciary and associated support agencies, that these issues affect a broad cross section of society, by showing that family law is out of step with current social practices and so that we can enshrine the presumption of Shared Parenting in family law.

What will I get as a Friend of Families Need Fathers?

Updates from FNF about activities and achievements by email or post, at least annually.

Anything else?

You may occasionally get an email or letter asking you to support a particular campaign, e.g. by writing to or emailing your MP.

Data Protection

Families Need Fathers adheres in full accordance with the Data Protection Act 1988.
